

Carpe diem - Seize the day.

As Horace advised, I realize that part of the ACL opportunity is experiencing the local cuisine, culture, and sites. In less than 2 hours, I saw all of this, bought some souvenirs, and was back at ACL to enjoy more sessions!

Welcome to
SANDIA PEAK
ELEVATION 10,378FT.

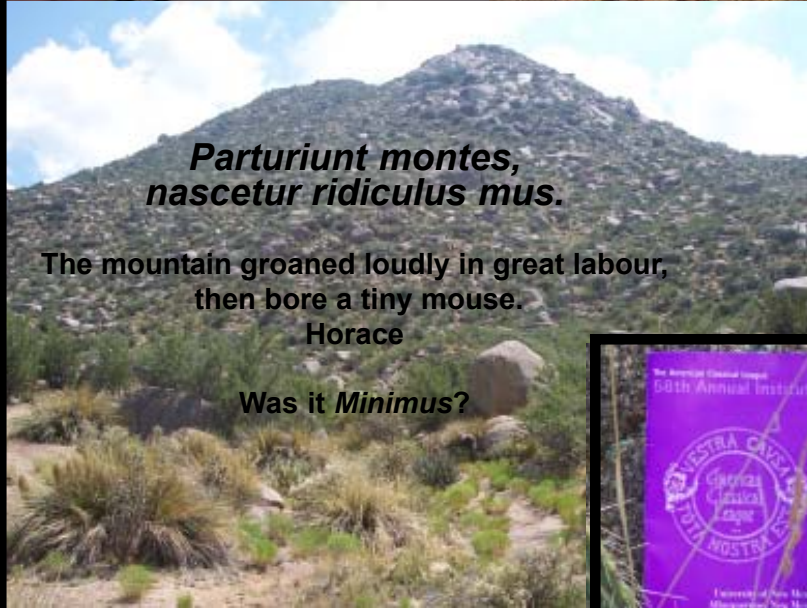

"Top of the world, ma!"
OK, not quite, but 10,378 feet no less!

Proud ACL member carries her bag with her at all times.

Omnia mea mecum porto.
All that is mine, I carry with me.
Cicero

I survived the Sandia Peak TRAMWAY! This photo was taken midway on the return trip down the mountain. I am in the other TRAM hanging on the lines to the right.

In medio tutissimus.
In the middle of things you will go most safe.
Ovid

*Parturiunt montes,
nascetur ridiculus mus.*

The mountain groaned loudly in great labour,
then bore a tiny mouse.
Horace

Was it *Minimus*?

*Gutta cavat lapidem,
non vi sed saepe cadendo.*
The drop excavates the stone,
not with force but by falling often.
Ovid

The RIO GRANDE is not so "grande."
You can drive across it on a bridge!

Fallaces sunt rerum species -
The appearances of things are deceptive.
Seneca

Audentes fortuna juvat.
Fortune favors the bold.
Virgil

My first time at a CASINO! I didn't have the "touch" at Midas Millions, but I quit \$6.00 ahead!
